Environmental policy statement for WSH Wireworks

WSH Wireworks is a professional manufacturer of wire, tube and sheetmetal products for more than 30 years. We accept our environmental impact and continue to be committed and open to alternative and cost effective methods to reduce this.

We aim to:

Comply with or exceed, where possible, all legal waste management requirements.
Eradicate injuries and work-related illness.
Control the impact our business has on the environment.

We will achieve these by:

Monitoring and reviewing our waste management.
Involving and consulting our staff on our policies.
Reviewing injuries and work-related illness to isolate the cause.
Reviewing and maintaining risk assessments.
Promoting reuse and recycling.

Signed:

A handwritten signature in blue ink, appearing to read 'R. Hardaway', written over a light blue horizontal line.

Dated:

25/05/18.
